Hydro-OJ Introduction

- We developed an On-line Judge (OJ) system!!!
- Our online judge is based on Hydro open-source online judge system.
- Hydro Home Page
  - https://hydro.js.org/
  - https://hydro.ac/
  - https://github.com/hydro-dev/Hydro

Online Judge: Setting

- Our NCUEDAOJ: http://ncuedaoj.ee.ncu.edu.tw:8888

Online Judge: Setting

- Please login the account we've created for you.

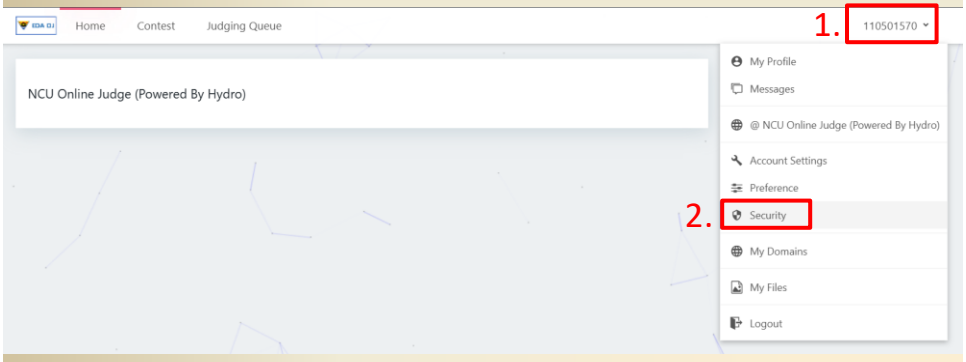

- If you're a student who also attends Introduction to Computer Science Laboratory, the OJ account is same as the one in Laboratory.
- If you are not, default username and password are your student ID.

Online Judge: Setting

- If you already have an account, just log in. And skip directly to page 12.
- If you do not have an account, please sent an email to our TA (tim0974040@gmail.com).
  - Please indicate "PA1 OJ account application" in the subject.
  - Please include your student ID and Chinese name in the letter.
  - When the account is created, TA will sent the email for you.

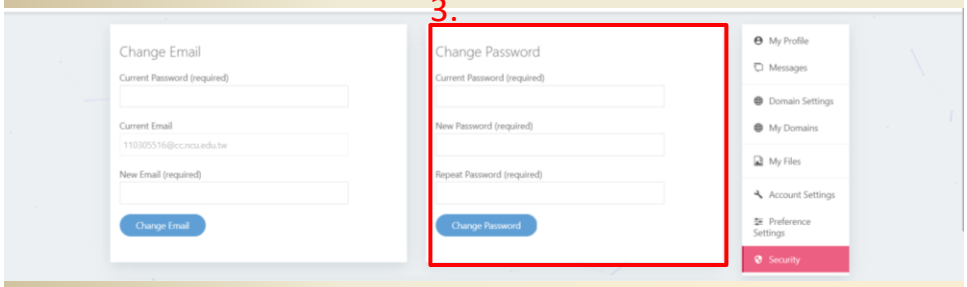

Online Judge: Setting

- Change security settings.
  - Change your password here.

Online Judge: Setting

- Change security settings.
  - Change your password here.

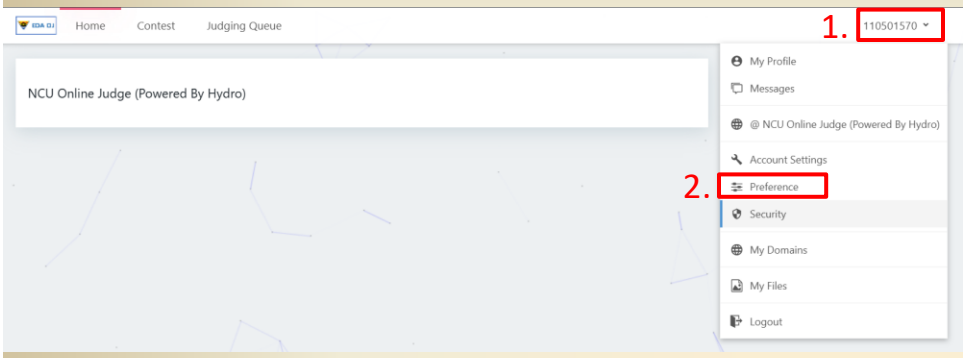

Online Judge: Setting

- It's your own responsibility to change your password in order to prevent others from submitting wrong code.
